**BOUGHT CITY LOTS.**—The M. & T. railroad company has bought of C. J. Beauvais lots 10 and 12 in block 47 and lot 8 in block 48 of the city of Phoenix, for \$3100.

**NEW AUTOMOBILES.**—It is a slow week when Phoenix does not get in at least one new automobile, but yesterday was something of a red letter day in that line. S. W. Higley received a new new Mitchell machine costing somewhere in the vicinity of \$3,000. It is a forty horse-power auto and a good looker. George M. Halm received a Maxwell runabout yesterday also and at the same time announced that he had ordered for later delivery a Chalmers Detroit touring car.

**FRUIT FOR ALBUQUERQUE.**—It is requested by the board of trade that the valley orchardists and fruit dealers will bear in mind the offer of Wells-Fargo & Co., to transport free fresh fruit in an amount not exceeding 500 pounds daily from here to Albuquerque, for display with the Salt river valley exhibit, and each do what they can toward supplying it. The fruit may be left at the board of trade room and its packing for shipment will be attended to by W. S. Golds-worthy.

**WAR DATE.**—According to The Republican's latest advices, unless something happens in Turkey or Armenia, there is no war scheduled to break out before next Friday, on which date all the Arizona soldiers except the Morand troop are expected to meet in annual encampment at the territorial fair grounds near the city.
